

TRNSMT

Glasgow Green
07 - 09 July 2017

It's not long now until the first ever TRNSMT at Glasgow Green.

We want to make sure you enjoy the festival, so over the course of the next ten days we'll be in touch a few times to make sure you have all the information you need in order to stay safe and to have a great time.

GETTING TO TRNSMT

You can find information on how to get to TRNSMT [here](#).

If you are getting a taxi to TRNSMT, it's best to get dropped off at Arcadia Street and use the East entrance to the festival.

Walking Routes

There are a number of walking routes to the festival. Walking route details and a map are available [here](#).

BAGS

Please don't bring a bag unless it is absolutely essential. Bags larger than 30cm x 42cm (the size of a sheet of A3 paper) will NOT be permitted at TRNSMT.

Those who need to bring bags will be separated into bag search lanes, and may be delayed as a result of longer searches.

SECURITY & DELAYS

We urge all those attending TRNSMT to be patient, and to expect delays and searches upon entry. Please consider this in your planning and ensure you arrive at the festival early.

There will be a significant security and police presence at TRNSMT. It's possible that you will see some armed police, as in other locations around the city.

These measures are in place to protect all those attending TRNSMT. Your wellbeing and enjoyment is our utmost concern and we thank you for your patience, understanding and cooperation.

There are two entrances to the festival, an EAST and WEST entrance. We expect the WEST entrance to be very busy so consider reducing your queuing time by using the EAST entrance if you can.

Our stewards are there to help you. If you have a particularly good experience with one of our stewards, note their ID number and send feedback to hello@TRNSMTfest.com.

GENERAL ADVICE

Please bin your rubbish. There are plenty of bins on the routes to the festival and within the festival site – use them.

Remember that Glasgow Green is surrounded by residential areas, and TRNSMT greatly appreciates the support of the local people. Avoid behaving in an anti-social manner. Please respect the neighbours by keeping noise to a minimum, both on your way to the festival and when you leave. Please only use public toilets on your way to the event.

Familiarise yourself with the layout of the festival site and use the toilets provided. Check which toilets are in use, and use the whole row. Remember there are lots of toilets near the river inside the festival site.

Report anyone acting suspiciously to the nearest police officer, steward, or member of staff.

FESTIVAL LAYOUT

There are two box office cabins, one at both the West and East entrances to the festival. VIP ticket holders, accessibility ticket holders and those accompanying customers under the age of 16 should enter via the EAST gate.
