

Please note: Ensure you read all descriptions and notes before buying for full info on what each package includes. Under 16s must be accompanied by an adult 18+.

Every person in your party must have a valid RIP pass to stay on the RIP campsites, including children. To ensure an enjoyable and comfortable RIP experience, RIP Park Farm campers will have access to a maximum pitch size of 22m² (metres squared) in Park Farm per person. Due to the overwhelming demand for space at RIP, and the increase in the number of gazebos, small gazebos will only be permitted for parties of 4 or more sharing a tent. One car parking pass included per booking. For bookings of 4 or more, an additional pass will be sent. Please do not post pictures or your tickets online when they arrive with you.

Strictly NO GAS canisters or petrol fuelled cookers will be allowed anywhere on site. Please see the Download website for a list of alternatives and to check on other prohibited items/substances before you pack. Please raise BBQ's and camping stoves at least 30cms off the ground to avoid burning the site. Bricks are available for you to use, please ask the RIP Reception. Open campfires are strictly prohibited. Please note that materials used in construction are intended to repel water and provide a level of water resistance at least to the standard of nylon tent. However in the event of adverse weather conditions - including storms, sudden heavy downpour and flooding - the structure cannot be guaranteed entirely waterproof. In the unlikely event of lightning, brief evacuation of the Metal Forest may be required until any danger passes.
