

Wilderness Boutique Camping FAQ

What are the benefits to the Boutique Camping site?

The Boutique Campsite is ideally situated a short walk from the arena, and the amenities include luxury toilets and showers, a dedicated bar and eatery, private parking (included with your accommodation booking) and toasty fire bowls to gather around.

Which festival ticket do I need to go with Boutique accommodation?

Everyone who uses a Boutique accommodation structure needs to have a Boutique Camping festival ticket; these can be purchased separately via the Wilderness Festival website.

Can Guests join me in Boutique during the weekend?

If you have friends who want to visit you over the weekend in Boutique Camping you can buy them a guest pass. Then you can have a cocktail by the fire bowls with them, and get ready with them. The only thing you can't do is host a sleepover. You can purchase up to 2 additional Guest Boutique passes for your accommodation when you book. Guest Boutique wristbands will allow entry to the Boutique Campsite and facilities, but there will be no additional bedding or car park passes, or further provision included. Anyone beyond the advertised capacity for your chosen accommodation will not be allowed into the Boutique Campsite without a festival wristband AND an additional Guest Boutique pass.

When do I have to leave the Boutique Camping car park?

12:00 noon on Monday 6th August.

Can my children stay with me in my accommodation?

Any children aged 0-5 (and therefore purchased on a child festival ticket) can stay in the accommodation with their parents at no extra cost. Please note no additional bedding or beds will be provided so you will have to provide your own cot. Please check with us as there may not be space for extra beds in all the accommodation types.

Juniors (ages 6 - 12) or Teens (ages 13 - 17) that you wish to stay in your accommodation must have a Junior or Teen Boutique Festival ticket. Please note: A maximum of 4 Junior and Child tickets can be purchased per adult ticket. Anyone beyond the advertised capacity will not be permitted to stay in the structure.

I have already purchased but cannot remember what is included in my accommodation structure (i.e. towels, lighting)?

Please check exactly which accommodation structure you have purchased by checking your order confirmation email, and then check the package contents [Here](#).

What items can I not bring into the Boutique Camping site?

Rules and restrictions are the same across the festival site, so please check the [Here](#).

Can I book dinners and festival add-ons with you?

These can be booked in advance via www.wildernessfestival.com or from the Information Tent on-site (subject to availability).

I still have some questions, do you have an email address to discuss any queries?
