

**Manchester Pride Festival 2023
Low Income Ticket Programme
February 2023**

Low Income Tickets

These tickets are reserved for participants on a limited income who cannot otherwise afford to attend the Gay Village Party celebration.

The Low Income Ticket Programme would offer a 50% reduced ticket price. They will be sold on a first-come, first-serve basis and they will be on sale until 30th June 2023 or until they have sold out.

Due to there being a limited number of Low Income Tickets available, we will restrict this programme for Greater Manchester residents only.

How to Apply

To apply for a Low Income Ticket, customers would need to complete a short online application form and upload relevant documents. Manchester Pride will reply within 10 days with the outcome of the application. Once their application has been approved, they will be emailed a ticket link to complete their purchase. They will have 14 days to complete the purchase of their Low Income Ticket before the link expires. These tickets are non transferable.

To qualify for the Low Income Ticket Programme, you will need to provide evidence of one of the following:

- Universal Credit
- Working Tax Credit
- Job Seekers Allowance (JSA)
- Personal Independence Payment (PIP)
- Disability Living Allowance (DLA)

We appreciate that some people on a low income may not receive one of the State Benefits listed above, so we suggest that anything below an annual Full Time salary of £16,000, which approximately equates to the UK Living Wage, could be considered a low income. Customers could contact us directly to discuss and each request will be looked at on an individual basis.
