Not to mention the fact it boasts some wonderful additional perks, including...

- Luxury showers and toilets
- A dedicated restaurant and bar
- A free grooming parlour
- Free parking
- Free trolley service to help get your bags to your accommodation (trolley deposit required)

HOW TO BOOK

To stay in Boutique Camping you need two things:

1. A Boutique Camping Festival Ticket (1 per person)
2. Boutique Accommodation

If you don't have both you won't be able to access the campsite, so please make sure you book both early to avoid disappointment.

Boutique Camping Festival Ticket

This is your actual ticket to the festival, allowing you to indulge in all the wonders of a Wilderness weekend and you can book it [here](#).

- Please remember, booking this alone will not give you access to the Boutique Campsite.
- You, or someone in your party, must also have booked Boutique Accommodation, large enough to house your whole party.

Boutique Accommodation

With so much to choose from, make sure you and your party are agreed on which accommodation you'd like before booking.

Then it's simple:

- [Choose your accommodation from the selection.](#)
- Choose your bedding configuration.
- Then you can complete the booking or spread the cost by choosing our Boutique Payment Plan. (More info on this below)
- You should receive an email confirming your accommodation. Please check this has arrived and pop it in a memorable place, as you'll need a copy of this to access your accommodation when you arrive at the festival.
- You'll receive your free Car Park Pass in the post shortly before the festival.
- Around a week before the event you should also receive a Customer Information Pack email with all the necessary information about arrival.
- Last but not least, make sure everyone in your party has a festival ticket too. Remember, no festival ticket, no entry.

Under 18s

- Children aged 0-5 can sleep in your Boutique accommodation with you in addition to the allowed capacity, as long as they have a festival ticket. However, please note that no beds or bedding will be provided for extra children, so please bring that with you. Not all accommodations have extra space though, so please check with us if you're not sure by emailing vipnation@livenation.co.uk
- Under 18s older than 5 years old count towards the capacity of your tent and must be booked in as usual.
- Under 18s Festival Tickets can only be booked alongside an adult ticket, so as you begin the booking process you'll be given the option to add them on.
- If you have already booked adult tickets and need to add on children's tickets you can do so by calling your ticket provider and quoting your order number.

Boutique Guest Passes

Got friends staying elsewhere who want to visit you over the weekend in Boutique Camping? All they need is a Boutique Guest Pass. That way you can all enjoy a cocktail together while you get ready. The only thing you can't do is host a sleepover.

- Up to 2 Boutique Guest Passes can be purchased alongside each accommodation.
- If you've already booked accommodation and want to add on Guest Passes just contact us at vipnation@livenation.co.uk / call Front Gate Tickets on 03330035937 and quote your order number.
- These wristbands will allow entry to the Boutique Campsite and facilities, but no additional bedding or car park passes are included.
- Of course, your guests must also have a festival wristband for their own campsite too.
